## FLORIDA STATE UNIVERSITY

# High School Dual Enrollment Application & Student Guide

## Spring 2019 Class Enrollment

For eligible students in the following schools with 2018-19 articulation agreements:

Leon County Public High Schools
Wakulla County High School
Florida State University Schools
Christ Classical Academy
Community Christian School
St. John Paul II Catholic High School
Home School Students Registered in Leon or Wakulla County

#### Florida State University

Academic Center for Excellence Sara Hamon, Associate Dean A-3600 University Center Phone: 850-645-0852

## FLORIDA STATE UNIVERSITY HIGH SCHOOL DUAL ENROLLMENT PROGRAM APPROVAL AND APPLICATION PACKET

Dear Secondary Student:

Thank you for your interest in the High School Dual Enrollment Program at Florida State University. We are pleased to offer this acceleration opportunity that permits qualified high school students to begin postsecondary coursework while earning credits toward the high school diploma. The benefits of dual enrollment include access to rigorous postsecondary courses while reducing the time and cost of completing the college degree. However, I do want to caution you that any grades received in dual enrollment courses become a permanent part of your college transcript and will be factored into your future applications to other colleges or universities. Therefore, we expect you to work closely with our office for ongoing academic advisement and support. Additionally, you will need to go through this approval process each semester that you wish to participate in dual enrollment at Florida State University.

The eligibility requirements for dual enrollment are outlined in state statute and local articulation agreements. Please review the following page that summarizes those qualifications. If you think you meet the requirements, you must schedule a meeting with your high school guidance counselor who will grant you permission, if appropriate, by completing the Guidance Counselor Approval Form. Once this approval is obtained, you can then proceed with the student application process as outlined on the following pages of this packet.

Please note that the application deadline for spring 2019 dual enrollment is Wednesday, November 28, 2018.

A copy of this application packet is available on our website under the Dual Enrollment tab at ace.fsu.edu.

If you have questions or we can assist you in any way, please feel free to call Angela Hockin at (850) 645-0852 or email us at ace@admin.fsu.edu. We look forward to working with you in the upcoming semester!

Sincerely,

Sara Hamon, Ph.D.

Associate Dean of Undergraduate Studies

Dava Damon

#### INFORMATION ABOUT DUAL ENROLLMENT

#### What is High School Dual Enrollment?

High School Dual Enrollment is a coursework acceleration program that allows qualified high school students to begin postsecondary coursework without paying tuition and fees, while earning credits toward their high school diploma at the same time. Dual Enrollment is established by law (Florida Statute 1007.271) for district, private, charter, and home school secondary students.

#### **Dual Enrollment at Florida State University**

Dual enrollment students at Florida State University (FSU) are non-degree seeking students and limited to a maximum of 9 credit hours per semester. As non-degree seeking students, they are not eligible for an Associate in Arts (AA) degree at FSU. Students interested in earning the AA degree concurrent with high school graduation should explore dual enrollment at Tallahassee Community College. FSU does permit Early Admission (i.e., full-time dual enrollment). However, that requires a separate application through the FSU Admissions Office approximately one year in advance of the semester for which the high school student is seeking admission. Early Admission students at FSU are regular degree-seeking students who intend to earn the bachelor's degree at FSU. For more information and application requirements, see the Undergraduate Bulletin or contact the Office of Admissions.

#### **Student Eligibility**

A High School Dual Enrollment student must meet the following requirements:

- Be a local area secondary student with a 3.9 weighted high school GPA on a minimum of 12 graded credits to include at least:
  - ✓ 2 English credits
  - ✓ 2 mathematics credits, one of which must be Algebra II or higher
  - ✓ 1 science credit with lab
  - ✓ 1 social studies credit
- Have the following minimum test scores:

ACT		or	SAT (March 2016 or later)	
Reading	21	- "	Evidence-based Reading & Writing	530
English	21		Math	530
Math	21			

• Attend a high school that has a signed Dual Enrollment Articulation Agreement with Florida State University. *Note: Students who transfer to a high school without a signed articulation agreement with FSU will no longer be eligible to participate in the program in subsequent semesters.* 

# The following schools have an Articulation Agreement with FSU for the 2018-2019 Academic Year

Chiles High School	SAIL High School	FSUS (Florida High)
Godby High School	Leon County Virtual School	John Paul II High School
Leon High School	Wakulla High School	
Lincoln High School	Christ Classical Academy	
Rickards High School	Community Christian	

- Additionally, home school students registered in Leon or Wakulla County may enter into an articulation agreement with FSU for dual enrollment.
- Meet any course prerequisites as set forth in the University undergraduate catalog.
- Show proof of credit for prerequisite course requirements, if applicable.
- Provide proof of immunizations and health history form.
- Be free of any charges of scholastic or behavioral misconduct at any educational
  institution, any violation of the law which did/may result in probation, community service,
  jail sentence, revocation or suspension of driver's license, or a traffic violation that
  resulted in a fine of \$200 or more, and also must be free of any felony charge even if
  adjudication has been withheld.
- Maintain a 3.0 FSU GPA (FSU courses only) to continue in the Dual Enrollment Program.

#### APPROVAL & ENROLLMENT PROCESS

#### **Step 1: Guidance Counselor Permission**

Secondary students enrolled in local schools must meet with their guidance counselor in order to verify that they meet the requirements for dual enrollment at FSU and gain permission for postsecondary coursework that would apply to their high school diploma. If approved, the student will receive a completed copy of the *Guidance Counselor Approval Form*, which the student must bring to the advising appointment with the Academic Center for Excellence (ACE) at FSU.

Home school students will need to complete the *Home School Course Request Form and Articulation Agreement* and also provide proof of enrollment in a home education program (s.1002.41, F.S.) along with verification of grade level and performance such as tests and transcripts. If the student has prior college credit, please provide a copy of the college transcript.

#### **Step 2: New Student's FSU EMPLID Creation**

If a first time student has a prior association with the University such as: employment, attended a camp, been a student at FSUS, etc., please call ACE at (850) 645-0852 before attempting to create an FSU EMPLID. The student may already have an EMPLID which ACE staff can research to find.

All other new students must create their FSU EMPLID prior to the advising appointment at ACE. Students will need their Social Security Number and should follow the directions available at: <a href="https://apps.its.fsu.edu/FSUIDRegistration/?sponsor=ADMFSUID">https://apps.its.fsu.edu/FSUIDRegistration/?sponsor=ADMFSUID</a>. Students should NOT create an EMPLID without a social security number. If they do, they will not be able to activate their FSUID until they have provided a copy of their social security card.

If the student is not a U.S. citizen, leave U.S. Social Security Number (SSN) blank during the online EMPLID creation process and select your country from the list provided. An FSU-assigned temporary student ID will be created for you.

If the student receives an error while attempting to create their EMPLID, call ACE right away at (850) 645-0852 so that staff may assist and give guidance on how to resolve the error.

#### **Step 3: Forms to Complete Prior to the Advising Appointment at ACE**

All applicants must complete the *Student Application for Participation in the High School Dual Enrollment Program* and the *Judicial Form* **prior to the advising appointment at ACE**.

New students are required to complete the *Student Admissions Health History* form and the *FAMU Co-Op/Dual Enrollment Form* (located at the back of the student guide) in order to show proof of immunizations. Meningococcal Meningitis is an immunization required by the University. The immunization reports provided by the high schools generally do not show proof of a Meningitis immunization, which is why the *FAMU Co-Op/Dual Enrollment Form* is required. After all documentation has been cleared by University Health Services, then the student will be enrolled in their classes. If a student wishes to request a Religious Exemption from immunizations, they should contact the Academic Center for Excellence (ACE) for information. Students should be aware of the ramifications of waiving an immunization. If they do so and there is an outbreak of that "immunization preventable" disease at FSU, they will not be permitted to come to campus until the outbreak is under control. Additionally, they will be responsible for making up all of the work they miss as a consequence.

Be sure to include the EMPLID that you created in Step 2 on all forms. If you have questions, please call (850) 645-0852.

# Step 4: Schedule an advising and enrollment appointment with the Academic Center for Excellence (ACE)

<u>Returning students</u> must attend an advising appointment at ACE in order to select their classes. Students will need to have the following items with them at this appointment:

- Completed Guidance Counselor Approval Form OR Home School Course Request Form and Articulation Agreement
- Completed Application for Participation in High School Dual Enrollment
- Completed Judicial Form
- Non-FSU college transcripts (if relevant)
- AP/IB/AICE scores (if relevant)
- FSU EMPLID or FSUID
- Proof of residency (non-U.S. citizens only)
- Proof of enrollment in a home education program (home school students only)

<u>New students</u> must attend Dual Enrollment Orientation, where they will receive instruction on the high school dual enrollment program and select their classes. Students will need to have the following items with them at this appointment.

- Completed Guidance Counselor Approval Form OR Home School Course Request Form and Articulation Agreement
- Sealed high school transcript
- Completed Application for Participation in High School Dual Enrollment
- Completed Judicial Form
- Completed Student Admission Health History Form
- Completed FAMU Co-Op/Dual Enrollment Form
- Non-FSU college transcripts (if relevant)
- AP/IB/AICE scores (if relevant)
- FSU EMPLID
- Proof of residency (non-U.S. citizens only)
- Proof of enrollment in a home education program (home school students only)

Students must call (850) 645-0852 in order to schedule an appointment with an advisor or to sign up for Dual Enrollment Orientation at ACE in the University Center A (football stadium), Suite 3600. *Our dual enrollment advising procedures cannot accommodate walk-in traffic*. After the advising appointment and clearance of health forms (new students), your selected schedule will be sent to the Registrar's Office for administrative enrollment. Students do not have access to enroll themselves in courses.

#### Non-U.S. Citizen Student's Proof of Residency

If the high school student is not a U.S. citizen, <u>please bring proof of residency to the advising appointment at ACE</u>. This documentation can be in the form of a Green Card or INS letter stating that the student has been approved or is processing. If the student cannot provide proof of residency, please contact ACE at (850) 645-0852 for assistance.

#### **Course Selection**

On the student's *Guidance Counselor Approval Form*, the guidance counselor will indicate either specific courses or subject areas which the student has been given permission to register for at FSU. A student will not be enrolled in a course without their guidance counselor's permission. This ensures that the credit earned at FSU will also apply towards the credits needed for completion of the high school diploma. The guidance counselor may approve for a maximum of 9 credit hours each term. **To see the Florida Department of Education's Dual Enrollment Course Equivalency list, go to:** <a href="http://www.fldoe.org/core/fileparse.php/5421/urlt/0078394-delist.pdf">http://www.fldoe.org/core/fileparse.php/5421/urlt/0078394-delist.pdf</a>. Some courses are not offered every semester. Students can look for available courses for Spring 2019 starting October 1, 2018, at <a href="http://registrar.fsu.edu/class\_search/">http://registrar.fsu.edu/class\_search/</a>.

#### **Recommended Dual Enrollment Courses at FSU**

Below is a list of recommended courses for high school dual enrollment students, including high school subject area and credit. Past high school dual enrollment participants have taken these classes and been successful. Please use this list when consulting your guidance counselor about which courses to take at FSU.

With the recent establishment of a 15-hour core of general education courses (36 hours total) recognized across all public colleges and universities in Florida, the courses marked with an asterisk are ideal for students who plan to attend college within the state. These credits will count toward the bachelor's degree and fulfill a general education requirement. Some of these credits may satisfy additional requirements, but that will vary across institutions and majors. Check other college and university catalogs as appropriate to your postsecondary plans.

Note: FSU cannot guarantee you a seat in any of these courses. Availability is based only on remaining seats during your registration window.

#### What types of courses are Dual Enrollment students restricted from taking?

- Any courses for which the student already has credit or may earn AP/IB credit
- Courses that are not creditable to both the high school diploma and the college degree
- One-credit courses, with the exception of science lab classes taken with the associated lecture class
- Courses graded on an S/U basis or not graded at all
- Physical education, recreation, and leisure courses
- Courses in limited access majors or otherwise restricted to students in the major
- ENC 2135 Research, Genre, and Context
- Army ROTC
- Directed Individual Study (DIS) and courses with an IFS prefix

#### What courses require special approval?

- Courses with prerequisites require test scores or transcripts to be submitted as documentation to verify eligibility
- Courses at the 3000 or 4000 level may require departmental permission after the advising session.
- Dance or other performing arts classes may require an audition to determine eligibility
- Air Force ROTC requires parent approval because of the extra physical training and leadership lab
- Math courses in the calculus sequence may require the ALEKS placement test (\$25)
- Online courses require special approval based on exceptional circumstances

#### Other information regarding approved courses:

• The Leon County School District and Florida State University have approved ECO 2013 and ECO 2023 as courses that satisfy the economics with financial literacy requirement for high school graduation. Students at other schools should check with their guidance counselor to see if those courses will satisfy this requirement at their high school.

#### Where to Park For Your Appointment with ACE

The Visitor Parking Lot is accessible off of Stadium Drive or Pensacola Street (see map below) and is available to visitors only. Currently enrolled students must park in Student W parking, which is also available nearby. From the visitor's parking lot or the Student W parking lot, walk

towards the right around the stadium in order to access University Center A. We can validate visitor parking. Bring the ticket you take upon entering the visitor parking lot, and we will stamp it for you. If you do not bring this ticket with you to our office, parking in the visitor parking lot costs \$1.50/hour, which you will pay as you leave the lot.

#### **Changing Your Schedule After Your Advising Appointment**

If a change to your schedule becomes necessary, you must contact your academic advisor at ACE. All requests for FSU classes that have not been previously approved by the high school guidance counselor and all requests for changes to FSU classes after the high school start date will require a *Guidance Counselor Course Adjustment Form* with the guidance counselor signature. Home school students will need to complete the *Home School Course Adjustment Form*.

#### **Step 5: Course Prerequisites**

#### **ALEKS Math Placement Test**

If a student is planning to take a course in the calculus sequence as their first math course at FSU (MAC1114, MAC1140, MAC2311, MAC2312, MAC2313 or MAC2233), they will be directed to take the online ALEKS math placement test (\$25 fee) soon after their advising appointment at ACE. Students must use their FSU email address to register for the ALEKS placement test. Instructions for ALEKS are available online at http://www.math.fsu.edu/~bellenot/ALEKS/. Students who do not complete ALEKS testing will be dropped from their math class during the first week of classes.

#### **Course Prerequisite Credit**

If a student requests to take a course which requires prerequisite credit, the appropriate test scores/transcript must be provided to ACE or the student will be dropped from the class.

#### If you are using a course taken at FSU to satisfy prerequisite credit:

The student does not need to take any action. Your ACE advisor will check to make sure the course was completed with a satisfactory grade.

#### If you are using a course taken at a different institution to satisfy prerequisite credit:

The student must submit an official sealed transcript to ACE as soon as possible after the grade is received.

#### If you are using AP/IB/AICE test scores to satisfy prerequisite credit:

The student must submit test scores directly to ACE by email, fax, or hand delivery.

AP scores can be retrieved at https://apscore.collegeboard.org/scores#/.

IB scores can be retrieved at http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/getting-results/.

AP/IB/AICE test scores and Florida State University's course equivalents can be found using the following links:

- http://admissions.fsu.edu/credit/apcredit.cfm
- http://admissions.fsu.edu/credit/ibcredit.cfm
- http://admissions.fsu.edu/credit/aicecredit.cfm

#### **Step 6: New Student FSUID and Email Address Activation**

The Registrar's Office will send an email with instructions to all new students shortly after their advising appointment with ACE. Follow the directions within the email in order to activate the student FSUID and the FSU email account. **FSU email is the official source for FSU communication and all official correspondence will be sent to this address.** If you have any questions about this process, please call ACE at (850) 645-0852.

#### **Delegated Access on the Student's FSU Account**

Delegated Access gives parents access to their student's information, including grades and financial account. Immediately after creating the student FSU ID, log into the student account to set up the delegated access. For instructions on how to set up delegated access, go to: http://www.sc.my.fsu.edu/Training-Documentation/Documentation/Delegated-Access.

#### **Step 7: FSU Student Identification Card**

Before students begin their first semester at FSU, they are required to obtain an FSU Student Identification Card. Students are required to bring this card with them any time they are on campus. The FSUCard Center is located at 104 N. Woodward Avenue, in the Woodward Avenue Parking Garage, on the corner of Woodward Avenue and West Call Street. The student must

bring a photo ID (driver's license, passport, etc.). There is no fee for the first card, however if the card is lost there will be a \$15 replacement fee. For more information, please visit the website at http://fsucard.fsu.edu/.

#### **Step 8: Parking on Campus**

If the student plans to drive and park on campus, they MUST obtain an FSU student parking permit from the FSU Transportation & Parking Services to avoid being ticketed and/or having their car towed. The student parking permit is only valid for the parking lot/garage spaces that are designated "Student W Parking." Failure to abide by Transportation and Parking Services regulations will result in fines that must be paid before transcripts will be released to the student. For more information, please visit https://transportation.fsu.edu/parking/parking-permits.

#### **Step 9: Financial Responsibility**

Each semester the Office of Student Business Services places a Financial Responsibility Hold onto every student's account. Dual Enrollment students will not be charged fees related to course registration. However, Dual Enrollment students are responsible for other fees assessed due to parking tickets, FSU identification card replacement, etc. By completing the Student Financial Responsibility Agreement, the student acknowledges responsibility for those types of fees. To clear this hold: log into my.fsu.edu, click 'Student Financial Responsibility Agreement' in the To-Do list to complete the agreement.

At some point after you are registered for classes, you may notice that your FSU account shows a balance due. After registration, FSU student accounts will be assessed tuition and fees for the courses that students are registered to take in the upcoming semester. High school dual enrollment students are NOT responsible for tuition and fees. Please do NOT pay any of these charges. The balance will be removed from your account once waivers are applied the day after drop/add ends (fifth day of classes). These charges will not have any effect on a student's enrollment. If you still see charges on your account in the second week of FSU classes (or later), please contact ACE at 850-645-0852 or ace@admin.fsu.edu so we can have inappropriate charges removed.

#### ADDITIONAL IMPORTANT INFORMATION

#### **Textbooks**

Textbooks are required in most classes at FSU. Those specifics are available in course syllabi. The schools participating in dual enrollment with FSU are required to provide textbooks for their dual enrollment students. Students should contact their high school guidance counselor to inquire

about textbooks. Home school students must provide their own instructional materials in accordance with Florida Statutes.

#### **Online Courses**

High School Dual Enrollment students are discouraged from taking online courses. However, if distance or time constraints cause exceptional scheduling difficulties, a student may request permission to take one online course. These requests will be evaluated on a case-by-case basis. Availability is limited.

#### **Access to Campus Resources**

Dual Enrollment students have access to campus resources as follows:

#### Full Access

- FSU's libraries are a valuable resource and many of their materials are accessible online. For full details go to https://www.lib.fsu.edu/.
- The ACE Learning Studio provides free tutoring in many subject areas and is located in the William Johnston Building on Landis Green in the heart of campus. For more information go to http://ace.fsu.edu/Tutoring.
- Information about bus service on campus is available at https://transportation.fsu.edu/bus-service.

#### Limited Access

 The Health & Wellness Center only offers emergency and first aid services to dual enrollment students. For routine health-related consultations, please see your family physician.

#### No Access

 Dual enrollment students do not have access to programs or services directly supported by fees that have been waived for them, including athletic tickets, the Leach Center, and other campus recreation programs and facilities.

#### **Student Disability Resource Center**

The Student Disability Resource Center (SDRC) is a campus resource open to all enrolled students. If you have accommodations in the learning process at your high school, we encourage you to register with the SDRC for accommodations in your classes at FSU, which will require completing registration forms and providing documentation. The SDRC houses an adaptive technology lab and offers an alternative testing location, extended testing time, note takers, alternate text conversion, and sign language/interpreting, among many other services. For more information, visit https://dos.fsu.edu/sdrc/. You may also contact the SDRC at (850) 644-9566 or sdrc@fsu.edu. We encourage you to discuss this and any other learning support needs you may have with your academic advisor in ACE.

#### **Grades and Transcripts**

Students must maintain a 3.0 FSU GPA in order to be eligible for any further dual enrollment coursework at Florida State University. At the end of each semester, students should view their official grades online using my.fsu.edu. Please note: instructor grade books in Canvas are not the official grades. Please check your official grades to be sure they are accurate.

#### How GPA is calculated at FSU

<b>A</b> 4.0	<b>B-</b> 2.75	<b>D</b> + 1.25
<b>A-</b> 3.75	<b>C</b> + 2.25	<b>D</b> 1.0
<b>B</b> + 3.25	<b>C</b> 2.0	<b>D-</b> 0.75
<b>B</b> 3.0	<b>C-</b> 1.75	$\mathbf{F} = 0$

#### **GPA** = Total Grade Points ÷ Total Hours Attempted

- Total Grade Points are calculated for each class by multiplying the course credit hours by the grade points received for the corresponding letter grade (see chart).
- Total Hours Attempted are the total number of credit hours taken by the student.

**For example:** If a student receives an 'A' for ENC1101 (3 credit hours) and a 'B+' for MAC2313 (5 credit hours) then GPA =  $[(4.0 \times 3) + (3.25 \times 5)] \div 8$ . This student's GPA = 3.53.

Please call ACE at (850) 645-0852 if you have questions about calculating your GPA.

#### **How to Send/Request Copies of Your Official Transcript**

The FSU Registrar's Office will send transcripts to the high schools within 7-10 days of grades posting at FSU as a part of dual enrollment grade processing.

Once you start applying to colleges and universities for regular admission beyond high school graduation, you will be responsible for requesting and paying for FSU transcripts sent to other higher education institutions or organizations offering financial aid opportunities. For instructions on how a student can request a copy of the official transcript either in person or online, go to: http://www.sc.my.fsu.edu/Students/How-To/Access-Official-Transcripts.

Your unofficial transcript is available to be viewed and printed in Student Central at my.fsu.edu.

#### **Student Conduct Code**

Dual enrollment students are responsible for reading and adhering to the Student Code of Conduct. The University reserves the right to impose discipline based on any violation of the Student Conduct Code. You should review the Student Conduct Code at https://dos.fsu.edu/srr/conduct-codes/student-conduct-code.

#### **Academic Honor Policy**

The Academic Honor Policy outlines the University's expectations for students' academic work. Dual enrollment students should review the Academic Honor Policy at http://fda.fsu.edu/Academics/Academic-Honor-Policy/. Dual Enrollment Students found responsible for violating the Academic Honor Policy will not be permitted to continue in subsequent semesters.

#### **Attendance Policy**

Attendance is a critical part of academic success in college! Dual enrollment students are expected to attend all scheduled class sessions as part of their student status. This includes those days that are considered holidays or breaks in the high school calendar (e.g., Thanksgiving or Spring Break). Professors set their own attendance policies on the course syllabus, so students should review this document carefully at the beginning of the semester.

FSU has an administrative Required First Day Attendance Policy that requires all students to attend the first day of all classes for which they are registered. Failure to attend the first day of class will result in the student being dropped from the class. If you have a legitimate emergency that will cause you to miss the first day, please email the professor in advance and copy ACE at ace@admin.fsu.edu so we can ensure you are not dropped from the class.

Please do not plan family vacations during the semester. If a dual enrollment student has an emergency or anticipates being out of classes for a week or longer, please contact ACE so we can give you proper advice and support.

#### **Course Drop and Withdrawal Policies**

Course drops will not be approved unless written permission is granted by both the high school guidance counselor and the academic dean at FSU. Students with two or more course drops that do not involve a documented medical or personal crisis will not be permitted to continue participation in dual enrollment at FSU. If a student is considering dropping one or all of their courses, they should contact an advisor at ACE as soon as possible to discuss alternatives and implications.

#### **Campus Environment**

**FSU** is serious about our commitment to ensure the safety and well-being of all students. This includes maintaining an environment that is free from discrimination and harassment as well as campus resource offices to assist students in reporting concerns and provide appropriate follow-up. For more information, see our Title IX statement and links to other resources online at **knowmore.fsu.edu**. If you have any concerns about your FSU experience, please contact your academic advisor at ACE.

#### Student Checklist for Dual Enrollment Application & Approval Process

We strive to make the Dual Enrollment application and approval process as easy as possible, but there are numerous steps and responsibilities involved with enrollment at a large research university. Please use the student checklist on the following page to stay on track with all that you must to do to submit your application and get registered for dual enrollment classes. Your advisors at ACE are here to help, so contact us if you have any questions. We look forward to working with you this year!

#### STUDENT CHECKLIST FOR DUAL ENROLLMENT APPLICATION & APPROVAL Meet with your high school guidance counselor to **NOTES** discuss course options and obtain permission. At the end of the meeting with your guidance counselor, make sure you have the following items: ☐ Guidance Counselor Approval Form ☐ Sealed copy of high school transcript (new students) ☐ Dual Enrollment Application & Student Guide ☐ **NEW STUDENTS:** Sealed High School Transcript □ **NEW STUDENTS**: Health Forms (Student Admission Health History & FAMU Co-Op/Dual Enrollment Form) Complete the Student Application for Participation and judicial form (every semester). **NEW STUDENTS:** Complete Health Forms. **NEW STUDENTS**: Complete the online registration process to create your FSU EMPLID. Make an advising appointment with the Academic Center for Excellence (ACE) at (850) 645-0852. At your appointment with ACE, submit: ☐ Guidance Counselor Approval Form ☐ Student Application for Participation ☐ Judicial Form ☐ Health Forms (new students only) ☐ Documentation for prerequisite credit (test scores/transcripts as appropriate) ☐ Proof of Residency (International Students only) **NEW STUDENTS:** Activate your FSUID and FSU email account. **NEW STUDENTS**: Set-Up Delegated Access on your FSU account. Take the ALEKS Math Placement Test, if necessary (calculus sequence courses only). **NEW STUDENTS:** Obtain FSU Identification Card. Obtain or renew a parking permit, if necessary. Log into my.fsu.edu to check your FSU account info. Complete the Financial Responsibility Agreement. Check your FSU email account daily.

# Instructions for Completing the Student Application for High School Dual Enrollment and Judicial Form

Complete the Student Application for Participation and the Judicial Form before your advising appointment at the Academic Center for Excellence (ACE).

If you have any questions about the application process, call (850) 645-0852.

Please refer to the following registration code definitions while completing the Student Application:

Race/Ethnicity American Indian/Alaska Native

Asian

Black/African American

Hispanic/Latino Not Specified

Native Hawaiian/Other Pacific Islander

White

National Citizenship US, Japan, Canada, Mexico, etc.

Residency Code F Resident of Florida

N Non-resident of Florida

T Exception (military, in-state)

R Resident alien, resident of Florida

E Resident alien, non-resident of Florida (out of state)

A Temporary Visa, Alien (out of state)

**If you answer "Yes" to any question on the Judicial Form**, please provide documentation or write an explanation on a separate sheet of paper. Complete details are provided on the Judicial Form.

**After you have completed the Student Application and the Judicial Form**, please refer back to the student checklist on page 17 to continue with the remaining registration steps.
